THE HARE AND THE TORTOISE

Haha! Do you ever
get anywhere?

Yes, of course!
Shall we race?

A Hare was making fun of the Tortoise one day
for being so slow.

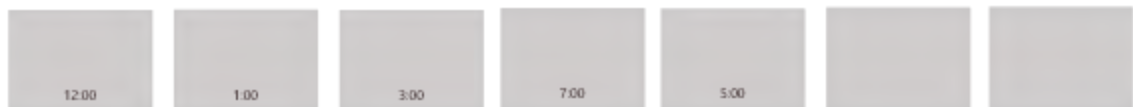

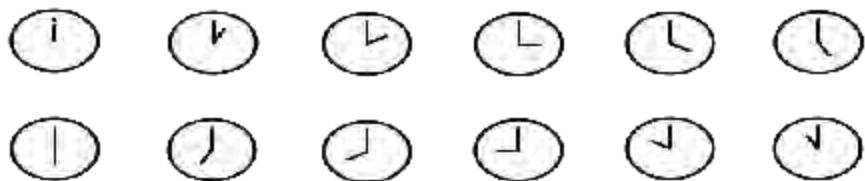

When the Hare woke up, the Tortoise was near the goal.
The Hare now ran fast, but he could not overtake the Tortoise in time.

A boy had a strange dream in which he was walking one dark night through a lonely forest. Suddenly, in the middle of the forest he found a road that led to an abandoned house that looked enchanted.

[Place the child in the lower left corner of the house]

The sky cleared for a moment.

[because you put the moon shining in the upper right corner of the house]

The first thing he found upon entering was a large, dirty kitchen. And surprise! There was a little girl looking at him smiling unblinkingly through the gap in the door.

[Place the girl in the doorway]

The girl greeted him and invited him to breakfast. But first he had to order, so he asked for help to place the kitchen items.

[Place the plates on the counter in front of the first window. The milk bottle in front of the second window in the background. The bowls in the drawer at the back by the door. And the boiling pot on the stove]

From the kitchen they went to the dining room. There was a fireplace where they could prepare the potion that would turn them into wizards and defend themselves against all the dangers in the house.

[Place the cauldron on the fireplace]

[Put the various ingredients in the basket on the left side of the image]

For breakfast there were bat wings, snake skin and lizard tail.

While they were having breakfast they heard a noise, coming from the top of the stairs. They both ran to see what was going on. Once there, they took the potion and became wizards.

[Place the children in the lower left with wizard hats over their heads and the potion to their right]

A female ghost appeared on the staircase.

[Place the ghost woman in the middle of the stairs]

Frightened, the both rushed to the tower and the ghost woman followed them. Once they got there, the woman begged them to turn her into an owl so she could know the world and finally leave the haunted house.

[Place the children in the lower left corner and the owl in the first window starting from the right]

And so this dream ended.

Um menino teve um sonho estranho em que caminhava uma noite escura por uma floresta solitária. De repente, no meio da floresta encontrou uma estrada que levava a uma casa abandonada que parecia encantada.

[Coloque a criança no canto inferior esquerdo da casa]

O céu clareou por um momento.

[porque você colocou a lua brilhando no canto superior direito da casa]

A primeira coisa que encontrou ao entrar foi uma cozinha grande e suja. E surpresa! Havia uma garotinha olhando para ele sorrindo sem piscar pela fresta da porta.

[Coloque a garota na porta]

A garota o cumprimentou e o convidou para o café da manhã. Mas primeiro ele tinha que fazer o pedido, então pediu ajuda para colocar os itens da cozinha.

[Coloque os pratos no balcão em frente à primeira janela. A garrafa de leite em frente à segunda janela ao fundo. As tigelas na gaveta atrás da porta. E a panela fervendo no fogão]

Da cozinha foram para a sala de jantar. Havia uma lareira onde eles poderiam preparar a poção que os transformaria em feiticeiros e se defenderiam de todos os perigos da casa.

Para o café da manhã havia asas de morcego, pele de cobra e cauda de lagarto.

[Coloque o caldeirão na lareira]

[Coloque os vários ingredientes na cesta do lado esquerdo da imagem]

Enquanto tomavam café da manhã, ouviram um barulho vindo do alto da escada. Os dois correram para ver o que estava acontecendo. Uma vez lá, eles tomaram a poção e se tornaram magos.

Um fantasma feminino apareceu na escada.

[Coloque as crianças no canto inferior esquerdo com chapéus de mago sobre suas cabeças e a poção à direita]

[Coloque a mulher fantasma no meio da escada]

Assustados, ambos correram para a torre e a mulher fantasma os seguiu.
Assim que chegaram lá, a mulher implorou para que a transformassem em
uma coruja para que ela pudesse conhecer o mundo e finalmente sair da
casa mal-assombrada.

[Coloque as crianças no canto inferior
esquerdo e a coruja na primeira janela
começando pela direita]

E assim terminou este sonho.
